

NEWFOCUS 3RD TRAINING SCHOOL

Short-to-Long Range Optical Wireless Communication Systems

17 - 18 July 2023
DSP Centre of Excellence, Bangor University

COST Action CA19111 NEWFOCUS
European Network on Future Generation
Optical Wireless Communication Technologies

 dsp-centre.bangor.ac.uk

 @CentreDSP

 DSP Centre, School of Computer Science & Electronic Engineering, Dean Street, Bangor, LL57 1UT

Our topics:

- Optical Wireless Communications
- Visible Light Communications/LiFi
- High-speed Optical Communication
- Visible Light positioning
- Real-time Optical Systems
- Network Convergence

Our speakers:

**Professor
Dominic O'Brien**
University of
Oxford

**Professor
Paulo Monteiro**
University of
Aveiro, Institute of
Telecommunications

**Dr Motjaba
Mansour Abadi**
University of
Northumbria

**Professor
Beatriz Ortega**
Valencia Polytechnic
University

**Dr
Wasiu O Popoola**
University of
Edinburgh

**Dr
Sujan Rajbhandari**
Bangor
University

**Professor
Jianming Tang**
Bangor
University

**Dr
Roger Giddings**
Bangor
University
